Episode 2

DRIZZLE

You're
Garden
Breaker
fun...

Are
you?

Just a
poor
pretty
boy.

I can
say
that,
right?

And
you
are...?

We haven't got
to mess with
the police or
the media.

What's up
with this
guy?

Um,
what do
you want
with me?

But you're not
the one who
pays the bills,
am I right?

You're
tired
alone...

Don't look
like you're
going to
cry

He really
does love
you

Like
this rainy
day...

You could
say he's
good for
nothing...

You know
what I
mean

!?

And
that's
why...

He's never
coming
back.

But he's
also
right?

But...

Konami
can.

The former
Prime Minis-
ter, that is.

Every
thing
else.

Hey

Close
your
hand.

Is
up
to
you.

screech

Well, that's
it. For my
business
here.

Whatever the case, Konomi
won't be making
any moves.

You should have
seen the boy's
face... the
intensity of his
anger reminded
me a little of
Eichiro.

He's already
lost someone
before.

Memories
fade, but
cells do not
by one...

But the memo-
ries I hold
dearest have
been still sharp
and clear...

And no doubt
Kusano will
remember...

Those who
killed this
one he loved.

On taking
Ryouu all
at once!

So... when
were you
planning...

...Until now,
the human
trade has
been quiet.

As long as we
can keep busi-
ness as though
everything
should be fine.

Power and money
fall into my hands... I
can have anything I
want... there's just
one thing left.

But Elrhina
has no other
option for my
research...

So I'm going
to be working
for that for
now, too.

We need 'Genera-
tion: Feedback'
as something
that could be
sold for a price.

„What-
ever“

That's
fine.

„ Aren't we
supposed to
be taking a
hostage?“

That's why
I prefer to
be alone

right?

You would risk
death to save
the person
you love,

Decides
not here
Society
either?

Here.

It's
up to
you.

He's
gone...

He
left
me...

Ever since that inci-
dent, he's
been weird,
you know.

I guess he
still has
permission
to skip
school.

Of course...

He never
used to be
the kind of
guy who
would show
up late.

He left
me all
alone.

He's
gone...

Konami-
san...

Who has
classroom
choice
today?

Hey...

I guess he's
one of those
people who
drink too
much...

Could you
go get
those?

You're going
to make copies
of the class
texts, right?

Am?

That's
me, that's
me!

What's
going
on with
you...!

Don-
no...

!!

o

I'm so
sorry...

I wish
you
worry...

Now you're
not going any
where until you
tell me every-
thing!

GRY

Okay

I
really...

See you
later, Oya
reco!

Say "hi" to
everybody
in class for
me!

I'm going
to find
him on my
own!

I couldn't
take any
waiting for
him...

Don't know
why I came
back here
but...

He's telling you
to bring him
back!

Here the
father of the
Mongooka
family.

What
should we
do?

We have to
deal with him,
or there could
be trouble.

„Bring
him
here“

„What?!”

He is
right
away

„Bring him here“

Always...

I will
always be
by your
side

Yes... you
and
mine...

Forever...

No-body's
here.

Everyone
else went
out..

tell me
this is
shaded.

It's still morn-
ing, but you're
actually awake
for a change.

If they
want
to
be
happy,
they
must
be
happy.

Just
even
if
you
say
that
it's
not
really
true.

my

SLIDE

Heigh

You met with Touma, didn't you?

Oh, that's up.

How delightful, well

Is that you?
Such a child

Meow?

Sky

...to have a
terrible
sense of
propriety

I sense that
nothing good
will come of
you.

So you see
it too,
Gengenbau?

SHIGEMUNE

Because
your words
are always
decisive!

Ah, you've
caught me
unawares.

Things are
going to be
fun from
now on!

This is
the begin-
ning...

Of
my new
stage...
